THE WEEKEND'S SPLASHIEST BASH

You'll never have to choose between pool day and beach day again. Have your splashiest getaway yet in eight different pools onboard and onshore, including the Caribbean's largest freshwater pool. Six different beaches put powdery sands and turquoise waters at your feet, and weekday worries miles away. Don't wait to hear about it, be on the right side of holiday envy.

ALL YOU CAN CRAVE

Full flavour goes full throttle in just a few days onboard Utopia of the Seas. Take your tastebuds on a new world tour, time and time again, at more than 20 unique dining venues. Prepare to crave the getaway like never before.

IT DOESN'T GET POOLER THAN THIS

Take your pick of five pools onboard, or try them all for the splashiest getaway ever. The top deck is popping with three of them, where reggae masters groove out to island hits. Or keep things low-key while cranking up the views and the cocktails at the adults-only Solarium pool and bar. And for a pool day with VIP vibes, reserve your own private casita with exclusive attendant service, or go for the ultimate upgrade in a suite and take a dip in the exclusive Suite Sun Deck's private pool overlooking the ocean.

CRAVEWORTHY TASTES OF JAPAN

With fresh sushi selections and tempting Teppanyaki prepared tableside, Izumi Hibachi & Sushi dials up the Asian-inspired dining experience onboard. Enjoy a delicious feast al fresco in the open-air Central Park where you can delight in the showmanship of an expert chef working right at your table. And if you're on the go, Izumi in the Park window has a selection of signature rolls, nigiri, and Japanese sweets to enjoy any time and anywhere.

DIVE INTO DELICIOUSNESS

With three convenient favourites just steps from all the poolside action, you don't have to venture far to refuel. Make a pit stop at the all-new poolside food truck to snack on quick bites and handheld favourites. Go wild over burritos, tacos or quesadillas at El Loco Fresh. Or head to the tranquil Solarium Bistro for all-you-can-eat goodness paired with panoramic ocean views.

ALL ABOARD FOR DELICIOUS

The most immersive dining experience at sea is right onboard. Pack your appetite for a locomotive culinary tour like never before, no passport required. From the moment you enter, you'll feel like you've left the ship for the golden age of rail travel. It all starts with pre-dinner drinks at the station platform. And when the whistle blows, it's time for an epicurean adventure. Take in sights, sounds and flavours on a journey of multiple courses that takes you miles away from ordinary.

SPRINKLE IN THE FUN

Satisfy any ice cream craving under the sun at Sprinkles, a Royal Caribbean poolside fave that's been supersized just for Utopia of the Seas. Choose from three flavours or mix and match if you're feeling adventurous. Then top it all off at the new sprinkles bar. When it comes to the perfect pool day, everyone knows Sprinkles is the cherry on top.

DELICIOUS PASTA-BILITIES

Giovanni's Italian Kitchen & Wine Bar sets the table for an authentic culinary experience with rustic Italian dishes like cheese-stacked lasagna, fork-tender Osso Bucco and hand-tossed pizzas delivered straight from the oven. Savour an unforgettable night in the upscale dining room. Or dine al fresco at the first-ever Gio's Terrazza overlooking the Boardwalk. To elevate your night out, head to the wine bar for an impressive selection of varietals perfectly paired with a charcuterie board, or just stop by with your crew for classic cocktails with a twist before your next move.

A NEW BAR HAS BEEN SET

Short getaways are for playing hard, and on the new Utopia of the Seas, there are no limits. So you can go all in and all out. Step your bar crawl way up across 23 bottle-popping spots serving craft cocktails and libations. Five live music venues pull out all the stops. And jaw-droppingly spectacular shows blow your mind on stage, ice, air and water.

NOW THAT'S A SUITE VIEW

Incredible style and unbelievable views come together in the most panoramic digs at sea. The Solarium Suite, exclusively onboard the new Utopia of the Seas, delivers 280-degree views from high up on the front of the ship. Wake up to endless blue from the well-appointed bedroom. Surround your crew in ocean views from the expansive living and dining area after a day's fun — and invite the ocean breeze in at the push of a button.

LET'S RUMBA

Laid-back paradise is a vibe at the Pesky Parrot, a new bar to put you in a Caribbean state of mind. This exotic enclave is the perfect tropical spot to kick off your getaway with fruit-based concoctions made with rum, tequila and gin. And frozen drinks that flow like island waterfalls will keep you coming back, again and again.

VIP AS CAN BE

Whether weekendening big with the fam, or with friends who might as well be, it doesn't get better or bolder than the Ultimate Family Suite. Three sprawling bedrooms offer plenty of room to spread out for up to 10 guests, including a stylish master suite and tons of upgrades for your downtime. Like an in-suite cinema and karaoke station perfect for going all-out while staying in. A corner balcony decked out with table tennis, a private whirlpool and views for days. And even a two-story slide where you're always first in line. Your dedicated Royal Genie maxes out your holiday with access to the best of everything onboard.

THE STAGE IS SET

On the new Utopia of the Seas jaw-dropping entertainment steals the spotlight, night after night. Hang on to the edge of your seat as all-star high divers perform hair-raising acrobatic dives at AquaTheater. Catch spectacular displays of ice-skating artistry by world-class professional figure skaters. And give a standing ovation to dazzling Broadway-style musicals.

A LOFT TO TALK ABOUT

Take luxury to another level in the Royal Loft Suite, one of the most indulgent suites onboard. A master loft and a downstairs bedroom offer private spaces with room to roam for up to six guests. Catch up with your crew in style from the expansive living room, or the private balcony with whirlpool, tv and minibar. Or when you need some me-time after living it up in the sun, you'll find the perfect respite in the master bathroom with a rainfall showerhead and jacuzzi tub.

EVENINGS HIT A HIGH NOTE

It's always an award-winning good time at Spotlight Karaoke, whether you're channelling your own inner superstar, sharing the stage for a dynamic duo duet or dancing to old and new friends giving it their all. Groove with the crowd all night long, or book a private karaoke room for intimate vibes or special occasions that deserve an encore.

WELCOME TO THE SUITE SPOT

Dial up the weekend, and the luxe, at the Suite Neighbourhood. High up in the ship's most prime location, experience exclusive amenities and unforgettable moments. Indulge in five-star dining at Coastal Kitchen, where Mediterranean flavors meet California cool with the freshest seasonal ingredients. Step onto the Suite Sun Deck to soak up the rays, or cool down in the plunge pool with in-water loungers and panoramic sea views. And for cocktails and chats with your crew, look no further than the comfortable, stylish Suite Lounge. It's luxury that's anything but boring.
